www.asteronx.com. These sites contain their own terms of use and privacy policy; you are advised to inform yourself on these.

You assume total responsibility for your use of the Site and any linked site. Your sole remedy against the authors for dissatisfaction with the Site is to stop using the Site. The above disclaimer applies to any damages, liability or injuries caused by any failure of performance, error, omission, interruption, deletion, defect, computer virus, theft or destruction of or unauthorized access to, alteration of, or use, whether for breach of contract, tort, negligence or any other cause of action.

You may use information on asteronx.com purposely made available by the authors for downloading from the Site provided that you (1) not remove any proprietary notice in all copies of such documents, (2) adhere to the proprietary restrictions placed on said documents, and (3) use such information only for the purpose of education and implementation of recommended actions.

Accounts, Passwords and Security

The login feature offered Site requires you to open an account. You are entirely responsible for maintaining the confidentiality of the information you hold in your account, including your password, and for any and all activity that occurs under your account as a result of your failing to keep this information secure and confidential. You agree to notify the authors immediately of any unauthorized use of your account or password, or any other breach of security. You may be held liable for losses incurred by the authors or any other user of the Site due to someone else using your ID, password or account as a result of your failing to keep your account information secure and confidential.

You may not use anyone else's ID, password or account at any time even with the express permission and consent of the holder of that ID, password or account. The authors will not be liable for any loss or damage arising from your failure to comply with these obligations.

Indemnity

You agree to indemnify and hold the authors harmless from any demands, loss, liability, claims or expenses (including attorneys' fees), made against the authors by any third party due to or arising out of or in connection with your use of the Site.

Violation of These Terms of Use

You agree that the authors may, in their sole discretion and without prior notice to block your future access to the Site. You agree that the authors will not be liable to you or any third party for blocking your access to the Site.

If the authors take any legal action against you as a result of your violation of these Terms of Use, the authors will be entitled to recover from you, and you agree to pay, all reasonable attorneys' fees and costs of such action, in addition to any other relief granted to the authors.

Governing Law; Dispute Resolution

You agree that all matters relating to your use of the Site, including all disputes, will be governed by the laws of Mexico and by the laws of the State of Veracruz. Any claim under these Terms of Use must be brought within one (1) year after the cause of action arises or cause of action is barred.

In the event of any controversy or dispute between the authors and you arising out of or in connection with your use of the Site, the parties shall attempt promptly to resolve disputes. If unable to resolve any such dispute within thirty (30) days, then the parties shall be free to pursue any right or remedy available to them under applicable law.

Privacy Policy

The authors' Privacy Policy applies to use of this Site, explains how your information is collected, used, disclosed, transferred, stored, and its terms are made a part of the Terms of Use by this reference. By using the Site, you acknowledge and agree that Internet transmissions are never completely private or secure. You understand that any message or information you send to the Site may be read or intercepted by others, even if there is a special notice that a particular transmission is encrypted.

What and how is information collected?

When you send information through but not limited to an online form, by E-Mail, signup for a webinar, participate on a webinar or through the use of the Site a variety of information may be collected, including and not limited to name, email address, location, and your answer to a variety of questions.

It is the authors' sincere opinion that the collection and intended use of this information is not likely to cause individuals to object or complain.

Cookies and Other Technologies

Asteronx.com may use 'cookies' and other technologies to obtain information about the use of the Site. This information is non-personal information. However, Internet Protocol (IP) addresses are here deemed to be personal information.

All cookies which have been initially placed by Neubox and WordPress on this Site are essential cookies. This means that so long only these cookies are used, there is no need to ask consent from you the site user, or to use a cookie banner.

If you want to disable cookies, check with your provider to find out how to disable cookies. The authors will not personally deny access to any feature or part of the Site once cookies are disabled.

Why is the information collected, its use?

The authors will use such information to, including and not limited to, fulfilling your requests, market analysis, create/deliver/improve content and products & services, advertising and marketing, data analysis, research, manage the site, for decision making purposes, keeping you up to date on announcements and events, and for ensuring compliance with the Terms of Use and the Privacy Policy.

In email messages a 'click-through URL' link to a site may be used. When customers click one of these URLs, they pass through a separate server before arriving at the destination page. This is tracked to help understand interests and evaluate the effectiveness of the E-Mail. If you prefer not to be tracked in this way, then do not click on text or graphic links in the email. Technology that tells us if the email was opened is also used. If you do not want this information released, then either do not open the email or unsubscribe.

Collection and Use of Non-Personal Information

The authors also collect data in a form that does not permit direct association with any specific individual—here called non-personal information. Such information will not be transferred but may be aggregated and disclosed for educational purposes, and for decision making.

If non-personal information is combined with personal information, the combined information will be treated as personal information for as long as it remains combined.

Who will the information be shared with?

Personal and non-personal information will not be shared with or sold to any third party. Any information you provide is confidential. Your information (including your identity) will only be disclosed by the authors if (1) the authors are legally forced to do so, (2) the authors need to enforce these Terms of Use, or (3) the authors think doing so will protect the rights, property or personal safety of others.

Protection of Personal Information

When your personal data is stored by the authors, digital storage areas with limited access are used. No information may be intentionally stored in the so-called cloud by the authors. However, third-party service providers doing their own data collection will store your information differently; you are asked to familiarize yourself with their terms of use and privacy policy.

Posted comments contain personal information and content that are visible to other users and can be read, collected, or used by them. You are responsible for the information you choose to post.

Integrity and Retention of Personal Information

The authors will retain your personal information for the period necessary to fulfil the purposes outlined in this Privacy Policy and retain it for the shortest possible period to realize the purpose of collection. Upon realization of its purpose, the data will be permanently deleted.

Third-Party Services

The Site uses third-party products, and services. The authors disclaim any and all liability for the acts, omissions and conduct of any third parties in connection with or related to your use of the Site and any services by the authors. Information collected by third parties is governed by their terms of use and their privacy policies. You are encouraged to learn about the privacy practices of those third parties.

When will we contact you?

You may be contacted to be notified about your account, to troubleshoot problems with your account, to resolve a dispute, to send updates, or as otherwise necessary to contact you to enforce the Terms of Use and Privacy Policy, and any agreement the authors may have with you. For these purposes you may be contacted via email, telephone, text messages, and postal mail.

What does this mean for you?

You can find what information the authors have on you, request to have it deleted and/or to stop receiving emails by sending your request to `info [dot] asteronx [at] gmail [dot] com`.

Organizational Commitment to Your Privacy

To make sure your personal information is secure, the above privacy and security guidelines are communicated to our partners, and we strictly enforce privacy safeguards with all operations.

Miscellaneous

If any of the provisions of these Terms of Use are held by a court or other tribunal of competent jurisdiction to be void or unenforceable, such provisions shall be limited or eliminated to the minimum extent necessary and replaced with a valid provision that best embodies the intent of these Terms of Use, so that these Terms of Use shall remain in full force and effect.

These Terms of Use constitute the entire agreement between you and the authors regarding your use of the Site, and all other written or oral agreements previously existing between you and the authors with respect to such use are hereby cancelled.

The authors will not accept any counter-offers to these Terms of Use, and all such offers are hereby categorically rejected. The authors' failure to insist on or enforce strict performance of these Terms of Use, nor any course of conduct shall not be construed as a waiver by the authors of any provision or any right they have to enforce these Terms of Use. These Terms of Use shall not be interpreted or construed to confer any rights or remedies on any third parties.
